

# SHIVARATHRI BHAJANS

"Among the festival days, Mahashivaratri is of exceptional importance. At midnight (on Shivaratri), Divine vibrations are close to every human heart. At such a time, when people are engaged in holy tasks, they get suffused with the Divine vibrations."

## **Mahashivaratri**

"You will be immensely benefited if you keep awake and sing the glory of God at least on this night (of Shivaratri). Moon is the presiding deity of the mind. Moon has 16 Kalas (phases). On the Shivaratri, 15 Kalas merge in God and only one remains. By constant remembrance of God, the 16th phase also merges in God. Can you not spend a single night in the whole year singing the glory of God? Sanctify this night by participating in Bhajans. The bliss that you get in Bhajans, the sweetness you experience in the divine name, the happiness you derive from visualizing the divine form cannot be obtained elsewhere."  
Sai Baba.
