

Upholding the Veda Movement

Bhagawan Baba has proclaimed the importance of Veda with this opening statement in the VEDIC speeches collection: Sri Sathya Sai Veda Vani.....

“You have to recognize the truth that Veda constitutes the very foundation of the culture of Bharat. Have firm in the truth that Dharma is based upon Veda. If Dharma collapses, the Universe may collapse. If the Universe collapses, Dharma may collapse. But the foundation, i.e. Veda, remains intact. If however, the very foundation that is Veda, collapses, both dharma and the Universe will collapse!

Rudram chanting

Bhagawan Baba has re-emphasized Rudram chanting very forcefully during the three months preceding the Sahasra Chandra Darshana Shanti of Nov 2008. One observes that Bhagawan's exhortations are in parallel intensity to the severe climatic disturbances, tsunami, etc happening Worldwide. This is a pointer showing that many such forthcoming can be mitigated or totally averted by more and more people chanting Rudram. In this way, we can become willing instruments of Bhagawan by elevating the spiritual plane of the entire Planet.
